BOSSSES GET **STRONGER** THE **LONGER** YOU TAKE

GAME OVERVIEW

Bot Gaiden is the ultimate hardcore speedrun. It's Ninja Gaiden meets Mega Man, only the bosses are getting stronger the longer you take to reach them. Efficiency is key, so it's a good thing you're both a Ninja AND a Robot. The exploration is in the execution strategy: you won't need to worry about which secret path you might have missed. Instead, you'll be laser-focused on getting from point A to point B. It's the anti-metroidvania.

Get ready for the platforming race of your life, featuring:

- Eye-popping cartoon graphics
- Killer NES-meets-metal soundtrack
- Family friendly couch co-op
- Stackable ability gear power-ups
- Fast action with 1-hit kills
- Diverse enemies in exotic locales
- Large, vibrant bosses oozing with character
- Overpowering upgrades to be earned
- Challenging but fair difficulty; multiple settings

GO FAST

WE DON'T HAVE A MOMENT TO LOSE! ME? I'M GIZMO, YOUR MECHANIC...

WE'VE GOT TO HURRY. GIORGIO'S HENCH-BOTS HAVE STOLEN OUR POWER SKULLS AND ARE DRAINING THEIR ENERGY OVER TIME. IF YOU GET THERE QUICKLY, YOU CAN CATCH THEM AT LESS THAN FULL POWER.

WHEN YOU RECOVER THE SKULLS, I CAN USE THE LEFTOVER ENERGY TO FABRICATE PERMANENT UPGRADES FOR YOU. THE MORE POWER, THE BETTER REWARD.

BUT DON'T BE AFRAID TO RETURN THE SKULLS AT LESSER CAPACITY. EACH UPGRADE WILL HELP YOU GO FASTER THE NEXT TIME.

SPEAKING OF "GOING FAST", I HAVE SOME COOL ITEMS TO HELP YOU ALONG THE WAY...

GEARS

FAMILY FRIENDLY CO-OP

Bot Gaiden was designed to be enjoyed by all. Cartoon robot violence means gears, bolts, and springs go flying; not blood. But let's not forget about Mom or Dad. The experience doesn't suffer when a lesser skilled player is along for the ride. Deploy the counter-measures:

- **Automatic Recovery Speed** ensures that your partner doesn't get left in the dust. The trailing player goes faster.
- **Acquired powerups apply to both bots.** No bickering! You're welcome, Mom and Dad.
- **Teleport to your partner at any time.** Need to catch up fast? Is your buddy in trouble? Insta-help is on the way, er... already there.
- **Bot-Swat your partner** after their teleport to turn them into an invincible fireball. Try leap-frogging, it's possible but challenging!
- **Sacrifice yourself** for your partner's sake. Self-destruct to blow up all the enemies on-screen.
- **Steal lives**, just like the good ol' days.
